# **NOW IN STOCK!!!**

## **DURACELL®**

### **PRODUCT HIGHLIGHTS**

Come OE in Audi, BMW, Buick, Cadillac, Chevrolet, Dodge, Hummer, Jeep, Mercedes, Pontiac, Saturn.

#### **Recommended Applications**

- Newer vehicles with many electronics, such as GPS systems, high-amp stereos, and charging cell/smart phones.
- Show or specialty cars that are not driven daily
- Needs vibration resistant and/or spill proof (20x vibration resistance of conventional flooded battery)

### **AGM BATTERIES**

**TRUSTED EVERYWHERE**

**AGM Batteries require Battery Chargers capable of charging AGM. Other chargers can destroy AGM batteries very quickly.**

 **ASSOCIATED**
